Adaptive Schools

LAEP invites you to a 4-day Adaptive Schools Foundation Seminar. Participants will learn how to build strong collaborative and caring work cultures, in which results-oriented faculties work together for continuous school improvement. Explore the latest practical findings in organizational development, team learning and navigating the currents of change.

This workshop is specially designed to support site administrators, teachers, district, and agency personnel and staff developers who convene and manage work teams, site councils, shared decision making groups and faculty committees.

PARTICIPANTS WILL DEVELOP:

- > *An increased capacity to initiate, develop and sustain high functioning groups*
- > *New lenses for diagnosing the stages and phases of group development*
- > *An expanded repertoire of practical facilitation tools*
- > *Understanding of when and how to engage groups in dialogue and discussion, the limitations, forms and values of each*
- > *Skills to move groups beyond consensus to common focus*
- > *Ways to value and use dissension, argument and conflict*
- > *Strategies for keeping group members on track, on topic, energized and resourceful*
