Important College Application Deadlines

August 1, 2015 *UC Application opens

Although the application for the UC system opens on August 1st a student is only allowed to view and fill in the application but not able to submit until **November 1st – November 30th 2014**. For the UC system if a student is interested in EOP there is a box that they **MUST** check off in order to be considered; there is no separate application.

August 1, 2015 Common application opens

Although the common app opens on August 1st there is no specific deadline as each school has its own application deadline.

August 7th, 2015 ACT Deadline for September 12th, 2015 test date

September 18, 2015 ACT Deadline for October 24th, 2015 test date

October 1, 2015 Cal State Application Opens (www.csumentor.edu)

October 1, 2015 *Cal State EOP (Educational Opportunity Program) App opens

*The EOP (Educational Opportunity Program) application opens on the same day that the Cal State University application opens but students must make sure to mark that they are interested in applying for EOP in their application and then fill out the application for EOP as there are further requirements for it.

November 6, 2015 ACT deadline for December 12th, 2015 test date

November 30, 2015 Cal State Application Closes

November 30, 2015 *Cal State EOP application Closes

November 30, 2015 UC Application Closes

*Although each EOP office at each Cal State has a different deadline in order for students to be considered for PRIORITY enrollment all students should be encouraged to submit their application by Nov. 30th.

IMPORTANT NOTE: It is important for students to remember to take their Math and English placement tests as early as possible. After speaking with college counselors from different Cal States their number one concern was a student not taking these placement tests at earlier dates. Dates vary from college to college so visit <https://www.ets.org/csu/about> to learn more.
