

Risk Communication in Schools During COVID-19

California's COVID-19 Virtual Training Academy

Let's work together to safely open schools across the state of California and stop the spread of COVID-19 in our communities!

Learn how to effectively use risk communication best practices to enhance COVID-19 prevention, screening, testing, case management, and decrease community transmission at your school.

9am - 12:30pm

Friday, April 16 | Friday, April 30 | Friday, May 7

Free, interactive, 3.5-hour training for principals and school administrators.

Featuring UCLA public health risk communication experts Dr. Deborah Glik and Dr. Cathy Lang, the UCLA School of Education and Information Studies, and the UCSF Center for Excellence in Primary Care.
